NUGGET 120 & 135

Recommended for tractors up to 45hp

The HOWARD Nugget compact range of slashers is designed and built to meet the market requirements for a tough, long-life compact slasher at the right price.

Many of the features from the larger HOWARD slashers are incorporated to ensure long service life and top performance. They can be either centre mounted or offset to meet all your slashing requirements.

ALL STANDARD FEATURES

- Complies with the WorkCover Slasher Safety Guide:
 - Extended Front & Rear Apron to protect against foot/blade contact.
 - Front Chains & Rear Debris Guarding.
- Heavy, 4mm, gusseted shoulder steel body: no blocking in heavy conditions.
- Adjustable skids for accurate cutting height control.
- Friction clutch protection to safe-guard both the tractor transmission and Nugget drive train.
- Latest design, high clearance two piece blade carrier.
- Forged, step-down blades for fine, even mowing.
- Pivoting head stock and chain back stays.
- Optional rear wheel kit available.
- Hot dip Galvanised body for corrosion resistance.
- Smooth top for easy clean and reducing vegetation buildup.
